Nursery

Every Sunday night, Our babies up to age 2 meet in the main Red Oak office, where a beautiful play area is arranged with educational interactive toys. If you are interested in serving in our nursery, we love to add people to our baby holding team!

Children Ministries

Every Sunday night, the children of Red Oak pile into the upstairs room we affectionately call "The Treehouse." Their time is spent singing songs together, doing craft activities, and sitting under Bible teaching — all with the vision of laying a foundation for them to understand the Gospel of God's grace. We teach through major stories in the Bible, beginning in Genesis, and the kids are soaking up every minute of it. We invite you and your family to be a part of Red Oak Church, and The Treehouse is a great place to start! Our greatest desire is to connect families within the body of Christ, to serve together in training our children up in scripture, and to point to the character and nature of Christ at every turn.

Opportunities Available: Helpers with snacks, quieting kids during the lesson, co-teachers, crowd control.
